VIRTUAL NATTERS

Although all live meetings have been cancelled until further notice we have set up a new Facebook page

MG Car Club - South West Centre Lunchtime Natters

It is a closed group just for members, if you request to join we will accept to give you access so, instead of driving to the meeting, you can chat online, or just see what other people are doing or posting. Simply search for the above new page on Facebook and join the group. The Facebook page will be live and “manned” around lunchtime (12:00 to 14:00) on the dates of the expected meetings for you to share comments and pictures live.
